AACEI-CSRA  
Section President

I hope that everyone is having a pleasant summer so far. Similar to our children, the CSRA Section is at recess for the summer months. The first Dinner Meeting is scheduled for August 23rd so mark your calendars now and plan on attending. As the incoming President, I wanted to take a moment to say a couple of things:

AACEI has awarded the Central Savannah River Area (CSRA) Section the Gold Award for its 2012 Section Award submission. Congratulations to everyone that contributed to our Section receiving such a prestigious award.

I especially want to say thank you to Kathy Roberson for all of her hard work and dedication to the Section as President over this past year. Please join me by extending your own, personal thanks to Kathy for her leadership through the years.

We also need to thank Asoka Pillai for his service both to AACEI and the local CSRA Section. Asoka has obtained the three letters we all aim to have at the end of our name, RET (RETIRED). Thank you for your service through the years. Don't forget to send a postcard every now and then from your well-earned and exciting travels. The Board is intact from last year with only one smiling face changing titles. Steve Gross has agreed (arm twisted) to serve as Vice President. This is a dual victory for me because I have someone who can serve in my absence, but more importantly, he will be turning over the picture taking duties to Sarah Mazul, who is our new Director of Communication and Newsletter Editor. Gone are the days of Steve capturing us looking, dare I say, not at our best during the meetings and posting it for all to see in the newsletter. Seriously though, we need to thank Steve for his tireless efforts in delivering the newsletter like clockwork each month. He oftentimes had to poke, prod, and even beg for write-ups to get into the newsletter.
